

Choices Make Change

JULY FAMILY CAMP AT PILGRIM POINT

July 18 -23, 2010

All ages and **all** families are invited to a wonderful week of relaxation and inspiration, boating and beach time, campfire songs and lakeside worship, fresh air and loon calls, laughter and festive meals...with time in the schedule for afternoon naps!!!

Special guest **Brian Rusche** from the **Joint Religious Legislative Coalition** will lead Bible study, reflection and action sessions about how we make and live out our choices. Our choices, as individuals, families, congregations, and communities create internal, external and social change. Portions of ***Rediscovering Values - On Wall Street, Main Street and Your Street*** by Jim Wallis will shape both the adult session and the children's activities.

For more information about the program and general flow of the week at camp contact Family Camp Coordinators Brenda Clarno 952. 929.8566 or Jo Clare Hartsig 952.476.4782
